

SMART MACHINE INNOVATION

Where Technology
Meets Reliability

WORLD-CLASS MACHINERY AND AUTOMATION
SOLUTIONS WITH CUTTING-EDGE TECHNOLOGY

About Us

Xtechnocrat India Pvt. Ltd. is a trusted manufacturer and solutions provider in the field of pharmaceutical Process and packaging machinery. With a strong commitment to innovation, precision engineering, and quality, we deliver world-class machines that meet global standards of efficiency, safety, and reliability.

Backed by advanced technology, modern infrastructure, and a team of skilled professionals, we specialize in providing end-to-end packaging solutions for the pharmaceutical, nutraceutical, and allied industries.

At Xtechnocrat, our vision is to drive innovation, enhance operational efficiency, and build long-term partnerships with our clients worldwide. With a customer-first approach and continuous R&D, we aim to redefine excellence in pharmaceutical packaging.

Key Strengths

State-of-the-art manufacturing
& design facilities

High-speed, precision-driven machinery

Compliance with international
pharma standards

Customized solutions for diverse
processing & packaging needs

Dedicated service and
customer support

Our Turnkey Projects Services

Project Consultancy & Design

Facility Construction & Setup

Pharma Machinery & Equipment Supply

Validation & Documentation

Automation & Smart Manufacturing Facility

Training & After-Sales Support

Why Choose Us

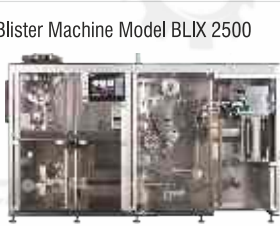

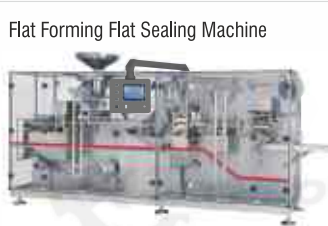

40+ Years
of Combined Expertise

Global
Project Experience

Quality-Driven
& Cost-Effective

One-Stop
Turnkey Solutions

Our Machine Manufacturing Range

High Shear Mixer Granulator 	Fluid Bed Dryer 	Octagonal Blender 	Auto Coater 
Tablet Compression Machine 27 Station 	Tablet Compression Machine 45 Station 	Semi Automatic Capsule filling 	Automatic Capsule Filling 
Rotary Blister Machine BLIX 2000 	Blister Machine Model BLIX 2500 	Flat Forming Flat Sealing Machine 	High Speed Blister Machine FLEX 600 
Strip Packing Machine 	Auto Cartoning Machine 	Flow Wrap Machine 	Dynamic Checkweigher 
Automatic Tablet Bottle Counting Filling Machine 	Blister Inspection System 	Ointment Manufacturing Plant 	Automatic Double Head Linear Tube Filling Machine 
Oral Liquid Syrup / Sterile Skid Injectable Manufacturing Plant 	Automatic Gear Pump Servo Driven Liquid Filling Machine 	Automatic Single Head Ropp / Screw Capping Machine 	Automatic Vial and Round Bottle Sticker Labeling Machine 
Automatic Rotary Monoblock Piston Filling Cum Sealing Machine GMP Model 	Oral Dry Syrup Filling 	Automatic Linear Tunnel Types Vial Washing Machine 	Automatic Injectable Vial Powder Filling With Rubber Bunging Machine 
Vertical Form Fill Seal Machine 	Pouch Packing Machine 	Scara Robots 	Automatic Storage Solution 

GLOBAL PRESENCE

Industries We Serve

- Pharmaceutical Manufacturing
- Nutraceutical Production
- Herbal & Ayurvedic Formulations
- Biotech & API Facilities
- Cosmetics Manufacturing Plant
- Active Pharmaceutical Ingredients
- FMCG
- Food
- Chemical Industries
- Warehouse Automation
